Serving and Loving the Volusia County Community Since 2005

- ✓ Family First Health Center is offering a membership-only direct primary care program for business owners in our community.
- ✓ This allows the doctor more time with your employees so that they can fully understand their medical condition and treatment options.
- ✓ Your employees and their doctor will work together to improve their health in between appointments using secure online wellness tracking tools!

Let your employees take control of their health today!
